Cub Scouts were out in force this fall selling popcorn. Going from door to door and working at show and sells at the Stratham Fair, Market Basket, Lowes, the Stratham Car & Bike Show, and the North Shore Mall, boys raised money for the Pack while gaining sales skill and earning confidence. Thank you to all the scouts who participated and to Mr. Mulcahy, our Popcorn Kernel! And congratulations to the top 3 salesmen in our Pack: Tyler Denton, Dante Mulcahy, and Vincent Labroad.

On February 7, Pack 185 celebrated its annual Blue and Gold banquet where the boys from Webelos II crossover to become Boy Scouts. A pot luck dinner rounded out the program, complete with a good luck cake for the boys. As the Webelos II boys crossed over the bridge, they were met by Boy Scouts from Troop 185. The evening ended with the playing of Taps by Boy Scout Nicky Denton. Good luck to our Webelos II boys. Thank you to Mr. Berwanger, Den Leader. We will miss all of you!

Charter Renewal

On December 6, we attended the Daniel Webster Charter Renewal event. Each year, Pack 185 must renew its charter in order to continue as an organization. We are pleased to report that we were awarded "gold status" once again this year.

Think Summer!!

OK, so we have had a bit of snow this winter – last report was over 100 inches! So are you ready for summer yet? Then mark your calendar for Cub Scout Summer Camp – July 12-16. Join scouts from Pack 185 and others throughout NH at Camp Carpenter for 4 nights and 5 days of outdoor fun and adventure. The theme this year is "Medieval, Cubs of the Round Table!" Swimming, hiking, archery, camping, sports, nature, and crafts are just some of the fun activities of summer camp.
